

PERSONAL PROFILE

In your Personal Profile, please address the questions outlined below. Your Personal Profile should show your personal interest and experience in the CTC program you have applied to. Be specific rather than general in describing the duration and nature of these experiences. Indicate why you think these experiences are appropriate preparation for a career in this field.

Please include a 1-paragraph typed response to each of the questions contained below

- *Why are you interested in this program?*
- *How does it fit with your career goals?*
- *This is a demanding program with a heavy workload and a lot of homework. How will you adjust your schedule to allow yourself the time required to be successful in your studies?*
- *How much time per day can you commit to the program and homework?*
- *Discuss your learning strengths and any possible barriers that may impact your ability to participate fully in the program.*
- *Please discuss your learning style and make any other comments that may be of benefit to the instructors in this program.*
- *Do you have any related work experience, training, volunteering, and/or community service? If so, give a brief description of the work you did and what you learned.*
- *If you have been employed in this or a related field, please give a brief description of this experience.*
- *If you have any information training, such as working with family or friends in this field, give a brief description of related projects you were involved in and what you learned from them.*
- *Please comment on anything else you feel would demonstrate your interest and suitability for the program.*

Name of Applicant: _____
(Please PRINT your First and Last Name)
